SELECT EXPERIENCE

Founder August 2021 — Present
CK Trade Compliance Consulting Bethesda, MD, USA

Provides trade compliance consulting services, focused on U.S. Trade regulations (ITAR, OFAC, EAR) for space and military applications.

Director, Trade Compliance April 2011 — May 2021
Airbus Space and Defense, Inc. Washington, DC, USA

Trade compliance guidance and execution leader for U.S. export regulations (ITAR, EAR, OFAC), supporting U.S. and foreign affiliates defense and space programs. Responsible for jurisdiction and classifications, license application and implementation, training, mergers and acquisitions, investigation, and remediation.

Vice-President, Space April 2005 — April 2021
EADS North America, Inc. Washington, DC, USA

Responsible for business development, and program execution for the Space sector. Successfully captured and executed DOD contract/sub-contracts, including first ID/ IQ. Implemented efficient supplier management and quality assurance services, and guidance related to U.S. export control regulations, enabling significant cost savings for the non-U.S. affiliates.

Director, Procurement, Mark. and Exp. Control April 1997 — April 2005
Astrium North America, Inc. Arlington, VA, USA

Successfully developed business for Space equipment and human space flight. Provided cost saving procurement and quality assurance services, and guidance on U.S. export control regulations to non-U.S. affiliates.

Program Manager January 1986 — April 1997
MATRA MARCONI SPACE Velizy Villacoublay, France
Lead teams in the design, manufacturing, and delivery of satellite equipment.
